Fulton Wrestling's Scholar Athletes

Fulton Wrestling is proud of its Honor Roll student-athletes. The program stresses academic success as well as success on the mat.

"We want our athletes to be successful and accountable in whatever they do and that means they have to be accountable for their academic performance as well as their athletic performance. Our wrestling team's goals are a state championship and everyone on the honor roll." - *Coach Stalker*

Doug "Smooth" Miller

Tomas Garcia

Two former Fulton Wrestlers are making their mark on the Mixed Martial Arts scene. Doug Miller and Tomas Garcia won their fights last Saturday in Watertown. Both wrestled on Fulton's Section III championship teams that finished third in the state—one dual meet win away from the coveted state title.

Garcia, a Marine Corps veteran, is a dean's list student at Cayuga Community College. He was a volunteer coach in Fulton's wrestling room this past season.
