Fulton vs. Canastota Tuesday

Undefeated 'Stota Comes To Town On Alumni Night

Tomorrow night an undefeated Canastota team comes to Fulton for a much anticipated dual with Fulton's Raiders.

The 'Stota Red Raiders are the 2014 Gouverneur Duals Champion and they bring a 6-0 record to Tuesday night's match. The 'Stota wrestlers are led by Anderson Tournament Champion Elijia Sampo at 220 lbs along with Doug Simmons at 160 lbs, Chris Rutherford at 182 lbs, Nate Walker at 152 and Owen Albanese at 285 lbs.

This marks the 17th meeting between Canastota and Fulton. There was a time when these two programs engaged in a heated rivalry that drew overflow crowds during the 1980's and 90's. Many fans will recall the epic 1994 battle between these two teams for the state

championship.

The Fulton Raiders have owned the series 15-2.

After 14 duals and two tournaments on the road, Fulton will be competing at home Tuesday night for the first time this season and the event will double as alumni night.

Following the dual, alumni, fans and friends will "gather" at the Polish Home to meet up with old team mates, see old friends and enjoy the holiday season.

Mitch Woodworth, 5th in NY State in 2014 is currently undefeated with a 14-0 record

12th Haines Tournament Dec 27-28

Twenty-Seven Teams Make Largest Field Ever

Twenty-Five Sectional Finalists To Compete

The competition will be intense the weekend after Christmas as twenty-five finalists from last season's sectional tournaments are expected to compete for Haines Tournament championships. They will be pushed by twenty more wrestlers who placed third or fourth in their respective sections.

As if the individual match-ups weren't attractive enough by themselves, the team race is expected to be equally intense. The Mexico Tigers, with their three section champs and fresh off their North Country

Tournament win are favored by many to win this year's team race but two other teams may have something to say about that.

Fairport, out of Section V, is the two-time defending Haines Tournament Champion and they're coming off two big tournament wins—the Fairport Duals and the Monroe County Tournament.

Host Fulton, winner of the Andersen Tournament and runner up in the Colonie Duals is anxious to retake the Haines championship—a title they held for 10 years.
