### Coach Stalker: "Every Day Is A Work Day"

## Red & Green Scrimmage Set for Nov. 21st

The 2012-13 edition of Fulton Wrestling will be pre-viewed next Wednesday night at 6pm in the G. Ray Bodley gym.

"We don't have a home match until Phoenix on December 19th and I wanted to give the wrestlers' families and fans an opportunity to see our team before the first competition," said new head coach Chris Stalker.

"We'll put together some fun match-ups and give the kids a chance to get out of the wrestling room and in the gym in front of a crowd," he said.

"The team has been working hard and I'm hoping parents, relatives and fans will take the opportunity to come out to see how well they're doing and support the team".

## Raiders Will Have Two Varsity Level Teams

For years, Fulton's JV team has suffered through week after week of practice without any competition. The decline of Junior Varsity wrestling in other Section III schools has left too many Fulton wrestlers on the bench for too long.

This season, it'll be different.

Head Coach Chris Stalker, JV Coach Jeff Waldron and AD Chris Ells have made two big changes.

First, the JV Raiders will travel to compete in

Section V (Rochester Area) where the best JV competition in Upstate New York takes place year in and year out. The highlight will be the MLK Duals with Penfield, Brockport and Spencerport.

Second, the JV program will also be our Varsity "B" team—to be known as the Varsity Green Team (Varsity "A" Team is Red Team). The Green Team will be wrestling in varsity events like the Fabius-Pompei Falcon Duals, Oswego's Akley Duals and the Haines.

## Alumni News

### Tomas and Matias Veteran's Day Run

Former Marine Tomas Garcia and former Army Airborne Soldier Matias Garcia honored their fellow veterans after wrestling practice last Saturday with an 8 mile run. Both are Fulton wrestling alumni now serving as volunteer coaches.
